

How to Host A Wonderland Donation Drive

In order to Host a Wonderland Donation Drive there are a few steps to follow:

- Create a flier identifying needs for Wonderland Event (toys, \$10 gift cards, coats and jackets, teen prizes) or simply use our example!
- Make sure to include in your flier the start and end dates of your individual Donation Drive
- Hang fliers in your company/organization's office and e-mail fliers to your friends, family, associates and anyone else who might be interested in participating
- Have designated area for gift donations to be delivered in your office
- Once all your donations have been collected and your drive has come to a close, gather all of the donations and deliver to Foster A Dream
- Make sure to take inventory of all your donations for "Thank You's"!
