

Wonderland 2011 Booth Information

*Responsibilities of Booth Sponsor:

There is NO FEE to host a booth. We want your resources to go towards your booth design/décor for the foster children to enjoy.

As a booth host you will:

- Design booth (must submit design to Foster A Dream for approval)
- Build & Decorate booth on build days (See Volunteer Form)
- Provide volunteers to man booth (optional)
- Provide Prizes/Gift/Giveaways at booth (Foster A Dream will provide some)

Use your imagination and make your booth something children dream about. We will be giving a prize to the most creative booth, judged by the children that attend.

The children will be voting on the best themed station so... Let your imagination run wild and create your own Dreamland!

**If you do not have the time to build or host a booth and want to have your business name attached to a booth you can be a sponsor for \$500.*

*Available Booths (as of October 30)
